City of Lindenfeld — Request for Proposals

Digital Case Management Platform for Citizen Services · Reference LF-2026-117

1 Introduction

The City of Lindenfeld (a fictional municipality) invites proposals for a digital case management platform for its citizen services department. The department handles approximately 60,000 citizen requests per year across 22 procedures.

This document describes the scope, the requirements and the rules of the procurement procedure LF-2026-117.

2 Submission Instructions

Proposals must be submitted no later than 18 December 2026, 12:00 via the Lindenfeld e-tender portal.

Questions for clarification must be submitted by 2 December 2026.

The proposal shall not exceed 40 pages excluding annexes.

Proposals shall be submitted in PDF format and signed by an authorised representative of the bidder.

Proposals may be submitted in German or English.

3 Technical Requirements

TR-01 The solution must support single sign-on via SAML 2.0 or OpenID Connect.

TR-02 All data must be hosted within the European Union.

TR-03 The platform shall guarantee an availability of at least 99.95% per calendar month.

TR-04 Data must be encrypted at rest and in transit using current industry standards.

TR-05 The supplier must provide an on-premises deployment option for the platform.

TR-06 The solution shall provide a documented REST API for integration with existing municipal systems.

TR-07 The citizen interface should conform to WCAG 2.1 level AA accessibility.

TR-08 The system must keep a complete audit log of all user and administrator actions.

TR-09 Backups shall be performed with a recovery point objective of no more than 4 hours.

TR-10 The user interface should be available in German and English.

4 Security and Certification

SC-01 The bidder must hold a valid ISO/IEC 27001 certification for the operation of the offered service.

SC-02 The bidder must provide a current SOC 2 Type II report.

SC-03 An ISO 22301 business continuity certification is desirable.

5 Commercial Requirements

CO-01 Prices shall be quoted in EUR as a fixed price for implementation and an annual subscription fee.

CO-02 Payment terms of 30 days after invoice receipt must be accepted.

6 Contractual Conditions

CT-01 The supplier shall sign the City's data processing agreement in accordance with Article 28 GDPR.

CT-02 Professional liability insurance with coverage of at least EUR 5 million is required.

7 Evaluation Criteria

Proposals will be evaluated according to the following weighting: quality of the solution 50%, price 30%, references 20%.

8 Required Attachments

Bidders must attach copies of all certificates referred to in section 4 and at least two reference letters from comparable projects.

The planned contract start is 1 March 2027.
